From the Pastor

Greetings Canterburians,

As we prepare for our 3rd annual live nativity and potluck, "How Far Is it to Bethlehem?" on Dec. 16 beginning at 4 pm, we thought it would be fun to anticipate the arrival of the event by tracking our own north star as it approaches our town center to light the way to the live nativity.

If you keep an eye out, you will see the big bright golden star moving about Canterbury (in a few front yards) ever closer to the Canterbury Center as we lead up to the 16th.

So here's your challenge: Take photos of you standing by the star and come to the live nativity evening to receive a fun prize as you share your photos with others. You can bring them on your cell phone or print them. There will be an additional special prize for most creative picture. Join in the fun!

Also, check out the schedule for CUCC's Advent and Christmas services on Page 3, in the church news section of this newsletter.

Blessings to you all
this Advent Season!

Advent and Christmas in Canterbury

Dec. 2: First Sunday in Advent.

Dec. 16: "How Far Is It to Bethlehem? Advent Walk, Live Nativity and Potluck Supper.

Come join us Sunday, the 16th at 4 pm for our advent walk, carol singing, and Christmas story telling in the town center, followed by a warm and comforting potluck meal in the Parish House.

From last year's event.

We will meet at 4 pm in the church sanctuary to begin our journey. Dress warmly and bring a headlamp/flashlight to read printed carols. We will walk to find the stable, the baby Jesus and animals near the creche.

Those who feel they would like to join us but need to forego the walk may join us later at the parish house where we will gather around 5 pm for a meal together at our annual potluck supper.

Dec. 24 Christmas Eve Candlelight Service at 5 p.m. Join us for a traditional candlelight worship service of lessons and carols as we welcome the newborn Christ child.

Dec. 30 Sunday Hymn/Carol Singing and Fellowship Time at the Parish House, 10 am.

Please consider supporting the church

It is that time of year when the church turns to its members and friends in a spirit of gratitude, with thanks for past support and the hope that those who share in our "We're all in this together, and isn't that great!" spirit will once again join in supporting our efforts to respond to community needs.

This newsletter is one expression of that effort. It is produced by church volunteers and mailed at the church's expense to every household in town. The church Parish House is another example. It is a hub for community and a place where vital community connections take place. And like her predecessors, the Rev. Sara Rossigg welcomes the opportunity to be present for all people of the community in times of joy or distress.

Every donation, large or small, is precious. We hope to hear from you!

Board accepts Town Clerk and Tax Collector Ben Bynum's resignation

The Board of Selectmen accepted a letter of resignation from Ben Bynum, Town Clerk/Tax Collector. The Board will be appointing an interim Town Clerk/Tax Collector. An election will be held in March to replace Ben.

The septic systems for the Parish House and Store/Post Office have been repaired and both are now connected to the leach bed behind the Town Office. Because of the early arrival of winter, the final landscaping will be completed at the Sam Lake House in the spring.

The Town Office will be closing at 11 am on Dec. 24 for the employee Holiday Party.

The Board of Selectmen and staff at the Town Office wish everyone a Happy and Safe Holiday Season!

Firefighters respond to 2 fatal accidents

The Canterbury Fire Department operated at two major motor vehicle accidents in the past month on Interstate 93. Both events involved occupant fatalities. These high-speed accidents required the use of our auto extrication tools to free the occupants. Members had trained with these new tools this summer on donated vehicles and instructors that came in from other agencies. The new tools and the training did help us in accomplishing these difficult extrications in a safe and effective operation. I have much appreciation for the members from Canterbury Fire, Tilton/Northfield Fire and Penacook Rescue that worked these difficult incidents.

As the Holiday Season approaches, a few things to remember to keep your family safe.

Candles: More than half of December home decoration fires were started by candles, compared to one-third in January to November. The top three days for home candle fires were Christmas, New Year's Day, and New Year's Eve. Do not leave candles unattended and make certain that they are out before leaving a room or going to bed.

Holiday cooking: Cooking equipment was involved in 19% of home decoration fires. This can happen when a decoration is left on or too close to a stove or other cooking equipment.

Use pot holders and keep small children away from the stove to prevent burns. Keep a pot lid close by to cover a burning pan and maintain a fire extinguisher for the kitchen.

As you start to set your personal goals for next year, consider joining a community organization that can help you develop new skills and abilities, give you an opportunity to give back, become part of a brotherhood/sisterhood, develop leadership and communications skills. If these things interest you, consider joining the Canterbury Fire and Rescue Department. Stop in or email me at gnewbery@canterbury-nh.org

The members of Canterbury Fire Department wish you a safe Holiday Season!

~ Guy Newbery, Fire Chief

Energy audits available from NHSaves

On Oct. 22, the Canterbury Energy Committee hosted an event called "Button Up" sponsored by NHSaves. NHSaves is composed of Eversource, Unitil, Liberty Utilities, and NH Electric Co-op. Topics covered included ways to improve home energy efficiencies in order to save both natural resources and money.

NHSaves provides rebates for Energy Star appliances and will provide a home energy audit for \$100 if your home needs energy efficiency improvements. You can test your home (you'll need to know how much heating fuel you used over the last 12 months) by visiting NHSaves.com. If your home is not energy efficient, the program will pay for 50% of eligible energy improvements up to \$4,000. If at least \$100 of the suggested improvements are made, the net cost of the audit is \$0.

Remember Town Ordinance #1 when shoveling!

The Members of the Police Department would like to wish everyone a very Merry Christmas and a Healthy and Happy New Year.

Please give yourself some extra time when traveling this holiday season, winter is unpredictable especially with the changing weather conditions. Also, please be cautious and aware of those walking along the roadway and vice-versa, to those walking along the roadway please be aware of the vehicles and let us not forget that wildlife is also out along the roadways.

The department would also like to remind everyone as the snow has finally arrived, Town Ordinance #1 takes effect: It shall be a violation of this ordinance to put, place, or store or cause to be put, placed, or stored snow or ice in or across any road in Canterbury during any private snow removal activities.

And State law also requires you to keep your car clear of snow so that it won't fly off your roof and hit the car behind you.

A reminder: To reach a police officer you need to call 228-1010 which is our 24-hour dispatch line. If it is an emergency, 911 is the best way. The 783-0433 number is for business such as requesting reports, pistol permits, or looking to leave a message for a particular officer by listening to the automated prompts.

Many hands contributed at the Center B&B

Thank you to the several residents of town who offered bulbs and shared their plant thinning for the new driveway on Hackleboro Road and car park garden.

Thanks to Lynn Reyes of Two Crafty Cluckers for the July 4 pot display that is still flowering, indoors! Kate Goegel offered several perennials, lilies, daisies, and more; Bob and Linda Poitras offered many kinds of lilies; Kathy and Scott Doherty offered daffodil bulbs, as did Kathy and Hubs Smith; Jen Hopkins shared rocky perennials; Mary Kerwin and Paul Lepesqueur donated black eyed Susans, daisies and rhubarb.

The landscaping work by Kevin Bragg is drawing to a close now as winter threatens to come early. When spring arrives Kevin will bring back some of the original bulbs and perennials tended by Nola Stokes decades ago. These have been saved up by the stone wall on Baptist Road and are headed for garden space by the front door porch.

It is hoped that the many plantings will yield colors and shapes next year and may be seen by their donors. It's all a work in progress! We are appreciative of help in that process.

Indoor Farmers Market

Sat, Dec. 15, CES Gym, 10 am to 1 pm

This is the last Market for the 2018 season! Come stock up on a great assortment of cold weather fruits, greens, squashes, and root veggies to ensure good n' local eating far into the cold weather months. With just a little planning, you can still be eating tasty bison pot roast, butternut squash, and roast garlic mashed potatoes when spring rolls around again!

You can expect many of the vendors you have come to know over the summer months, plus a few new faces, and more crafts. There will be plenty of items, both edible and useful, for holiday gift giving. We look forward to seeing you, and wishing you all the joys of the season!

Aluminum can tabs need to find a new home

Aluminum can tabs will no longer be picked up by Ruth Mann. If you want to give them to the folks at the transfer station, maybe they can recycle them and use the income for their use. Thanks for your help, y'all.

Trail Notes

Lots has been going on in the **Bachelder Town Forest** on Youngs Hill Road over the last year and a half. The Loudon Trails Sub-Committee of the Loudon Conservation Committee has been building hiking trails off Youngs Hill Road. The trails are almost complete and consist of two loops connected by a bridge over Bumfagon Brook. The first loop is a shorter and easier 1.2-mile walk. The second loop that starts on the other side of the bridge is 1.55 miles, a little hillier and more of a workout, but passes through beautiful woods and by several vernal pools.

Last year a group of volunteers was assembled to research the possibilities of creating trails within Loudon. The Central New Hampshire Regional Planning Commission worked with our group to find an appropriate location for our first trail. Back in 1992, the Bachelder Town Forest, consisting of over 150 acres, was generously given to the Town by Albert Bachelder. This property was chosen as it is a beautiful piece of land with very interesting sites to see. Harry MacLauchlan has also generously allowed the use of a parcel of his property for parking and for the trail.

This project has been a community effort with many individuals

volunteering, as well as many companies donating materials. Trailwrights, Inc., a non-profit volunteer organization that promotes environmentally sound techniques of trail maintenance and safe ethical hiking practices, guided us in laying out the trails and environmentally sound techniques for building them. The trails have been cleared and blazed, the bridge is complete, and the parking lot on Youngs Hill Road was graded, drained and is ready for vehicles. The Bachelder Town Forest Trails sign designates the parking area. A kiosk, being built as an Eagle Scout project, will contain a map and other trail information as well as a list of all who have helped make this trail possible. Trail signage will be completed soon.

Our hope is that the public will enjoy hiking on these trails and get to know the beauty of this Loudon forest. We are always looking for more volunteers and hope to come up with other areas for creating future trails. The Trails Subcommittee meets on the fourth Monday of the month, 4 p.m., at Charlie's Barn in Loudon Village, feel free to join us! If you have any of the following tools you'd like to donate, please contact Sandy Blanchard: pick axes, pry bars, rakes, loppers and pulaskis.

When hiking, please remember to 'carry in/carryout' any trash, feel free to move any fallen branches to the side of the trail, and wear orange or bright-colored clothing during hunting season. Please remember that motorized vehicles are not allowed on the trail. Happy and Safe Hiking!

Joe and I have enjoyed working on the above trails and highly recommend them. ~ Dave Emerson

The Meadow Pond Trail at Shaker Village has received the maintenance and improvement it deserves. The original entrance to this very popular trail, directly behind the brick Trustees Building right at the top of Shaker Hill, had become blocked by a tangle of downed trees with no alternative access.

Now it has an inviting new access opposite the space between the horse barn and the building just south of it, with a new sign. From the range way there's a diagonal trail southwest to the road from the original entrance. It's a well blazed (blue blazes) trail through interesting open woods.

Joe and I have flagged the whole trail and did the chainsaw work. Sandy Blanchard, Deb and Dennis Proulx and I blazed it and finished brushing and tread way clearing. The north connection to Shell Church Road has a well beaten trail-through the old log landing thanks to much use.

Loudon Food Pantry

We are located in Huckleberry Business Park, 30 Chichester Road, Unit D, Loudon, 03307.

Extended donation, volunteer and office times: Tuesdays 10-6, Wednesdays 10-1, Thursdays 10-4, Fridays 10-4

Service hours: By appointment only. Tuesdays 10-6, Wednesdays 10-1, Thursdays 10-4

If these hours work, we will make them permanent Feb. 1. Please call Sue at 724-9731 with any questions.

Inventory Time

We will be closed the week of Christmas and because of inventory, we will not reopen until Tuesday, Jan. 22. As usual, we will make sure those that come to the pantry for assistance will be given enough food to hold them over. We will not be at the pantry to receive donations from Saturday, Dec. 22, to the end of the year, so please drop off any donations before then. As always, any donation mailed by Dec. 31 will be included in the donation letters that are issued in January. Thank you!

Thanksgiving Boxes

This year we handed out 61 Thanksgiving Boxes. Meadow Ledge Farm donated all the apples, Poultry Products Northeast donated all the squash and many donations came in that helped us complete the boxes. Thank you for all your contributions to making this Thanksgiving a success for so many! Also, a huge thanks goes out to all the volunteers!

LES Halloween Party

We had 151 kids attend the LES Halloween Party this year! Everyone was having fun: kids and parents alike! Thank you goes to the 31 volunteers that helped make this party a success! Loudon Food Pantry raised \$429 in funds and 843 food items as well. Thank you everyone!

October Meal Numbers

In October we gave out enough food to create 5,774 meals to 498 individuals. 131 of those were age 60 and older, 162 were age 18 or under and 205 were in between those ages. Our numbers were lower because our stock was low.

LFP Challenge Cancelled, But We Have a Solution

Holding the LFP Challenge over the years have given us some insight into what is needed for us financially and for donations received. What we found is that receiving large amounts of food and funds during a three-month span does not help to sustain us throughout the year. Also, it is after the holidays and volunteers are in short order so processing the food and getting

it onto our shelves take longer than we like. So, the challenge is not effective for us!

The solution: Just like any household or business, we need income (donations) on a monthly basis. For us, it means fixed monthly donations coming in. This allows us to work with a consistent budget to purchase food items that are not donated but needed and to keep the pantry running so we can continue to feed those in need.

On Dec. 15, we are proud to launch "The 12 Months of Giving." It costs us 50 cents per meal per person. So, a donation of \$20 helps to provide enough food for 40 meals. A recurring donation can be monthly, quarterly, etc. Any time frame helps us to feed those in need. As of Dec. 15, more information will be available at tinyurl.com/y8d96dvv. No donation is too small!

Donations Received

In November we received some large food and funds donations that allowed us to restock our shelves. Thanks goes to Loudon Elementary School and their students for the Turkey Trot, the Boy Scouts for Scouting for Food, Villages of Loudon, Loudon Young at Heart, and so many more.

50-50 Holiday Fundraiser Raffle

This fundraiser ends Dec. 15 — and as of 11/15 we have sold a total of \$105 in tickets. The more tickets we sell the more the winner gets! \$1 for 1 ticket; \$2 for 3 tickets; \$5 for 7 tickets. Tickets can be purchased using our online order form at LoudonFoodPantry.org or at Loudon Food Pantry.

Gift of Lights

The New Hampshire Motor Speedway has traded in the checkered flags for two million twinkly LED lights for the eighth annual Gift of Lights presented by Eastern Propane and Oil, running through Monday, Dec. 31. Be sure to check for days of operation, and please enter through the South Entrance.

Open from 4:30 – 9 pm, the 2.5-mile drive-thru light show features the Tunnel of Lights (the 130-foot-long infield entrance and exit tunnels will be brightly lit, giving a truly memorable experience that kids of all ages will need to see to believe), 400 displays, 60 different scenes, a s'mores pit, pictures with Santa Claus (every day Gift of Lights is open, through Dec. 23) and Milo on Saturday evenings through Dec. 22 from 5 - 8 pm.

Admission is \$20/car or bus (up to 15 people) through Dec. 14 and \$25/car or bus (up to 15 people) Dec. 15 - Dec. 31. Buses containing more than 15 people will be charged \$2/person.

Anyone bringing three non-perishable food items – (food is donated to the Loudon Food Pantry) – gets \$2 off per carload.
